|  | 025                   | 1          |

A good substitute for 177, the border colour, is 985, if it is obtainable (a mix of watery blues).

The back of the bag is made with a mix of blues (76, 176 and 177 or 985) to resemble a watery texture.
